Thank you for being a SC Education Lottery (SCEL) Retailer. According to the SC statute, your Lottery license is to be renewed annually. Enclosed is the renewal application with some portions filled in. Please make corrections if necessary and fill in the other portions. We will use all information to perform various verifications which are required by law.

We **cannot** process the application if any portion is incomplete or if the contract is not signed and returned.

Processing your renewal application involves the following steps.

1. Pre-Screen the Application and Contract

- Your application and contract are reviewed for completeness and accuracy.
- If any portion is not filled in or it is not signed correctly, we will notify you so you can make the correction(s).
- If the business is a Sole Proprietorship business type, the person who is the sole proprietor must sign Schedule A and the Retailer Contract.

2. Draft the Renewal Fee

- When we begin processing your renewal application, you will see a line item on your weekly invoice to let you know when your lottery account will be drafted.
 - a. \$135 is drafted if you have a MicroLot® terminal.

3. Verify Compliance with the Department of Revenue (DOR)

- The Department of Revenue provides us with a compliance report.
- If DOR does not have a copy of your tax returns/payments, we will notify you and give you time to resolve the issue with DOR. You must request that DOR notify the lottery when the issues have been resolved.

4. Verify Background Check with SLED

- You will be notified if any owner or operational manager fails the background check. Failure to list all owners violates the contract.

5. Check 60/40 Sales Compliance

- You will be notified if more than 60% of your overall business sales come from lottery sales for this retail sales location.
- If so, your business location will no longer be able to sell lottery tickets. See SC statute Section 59-150-150(B)(2) for more information.

SC Education Lottery Licenses are NOT transferable.

If you have already sold the business, or if you are "planning" to sell the business, please let us know. If you have questions, please contact the Licensing division's toll free number which is 1-866-737-7235. Our mailing address is:

Retailer agrees to operate in a manner consistent with and agrees to abide by Chapter 150 of Title 59, South Carolina Code of Laws, as amended, (referred to herein as the Lottery Act), applicable federal, state, and local ordinances, policies, rules, and regulations promulgated by SCEL and the terms and conditions of this contract and the policies, practices, and procedures utilized by SCEL, whether written or not. Retailer further agrees that it will not operate in any manner that could be considered, in the sole judgment of SCEL, prejudicial to public confidence in SCEL.
2. This retailer contract shall remain in effect until the expiration date printed on the lottery retailer license(s) associated with this contract. If Retailer is seeking licensure renewal, this contract shall remain in force pending a final determination on renewal irrespective of the date printed on the retailer license. The contract is renewable at the sole discretion of SCEL.
3. Retailer agrees that SCEL may immediately suspend sales of lottery products and/or cancel, revoke, or terminate a contract for a violation of any provision of the Lottery Act, SCEL regulations, rules or policies, practices or procedures or this contract by mailing written notice of termination, suspension, revocation or cancellation; such notice shall be effective on the date of mailing. Retailer is only entitled to appeal suspensions, cancellations, revocations and terminations as authorized by the Lottery Act and SCEL regulations; such an appeal will not reinstate a revoked license or terminated contract until a contrary decision is made by one of the appellate entities set forth by the Lottery Act. Retailer agrees to be bound by the appeal procedures and policies established by SCEL. Pending the resolution of any matter under appeal, the Retailer agrees that SCEL may immediately suspend, cancel, revoke, terminate or refuse to renew this retailer contract as deemed appropriate under the circumstances by SCEL.
4. This retailer contract may be terminated without cause by either party upon written notice at least thirty (30) calendar days prior to the termination.

II. LOTTERY PROVISIONS

1. Retailer agrees to provide SCEL with the names of employees or persons authorized to transact business with SCEL and/or who makes decisions concerning the ordering of lottery tickets. Retailer shall immediately notify SCEL of any changes or other matters affecting the contact information provided. SCEL will rely on the individuals with whom it conducts business until or unless updated information is received. Retailer remains solely responsible for any and all acts of Retailer’s employees.

2. a. Retailer agrees that lottery games will be sold only by the lottery retailer at the location named on the lottery retailer license. Absent prior written approval of SCEL, the Retailer agrees not to sell a lottery game ticket from an unlicensed location.
 - b. Retailer agrees that it will post and display conspicuously its license and other signage as required by the Lottery Act and/or SCEL. This point-of-sale (POS) signage and other materials include, but is not limited to, main entrance door decal stickers, exterior signs visible to potential customers that would identify the location as a lottery retailer, POS gambling messages and odds as required by the Lottery Act and supplied by SCEL (to be placed in a prominent location at or near each cash register where tickets are sold, as directed by SCEL), "How to Play" game brochures, brochure holders, instant ticket dispensers and end-of-game announcements. Subject to the retailer's lease agreement, applicable laws or, and/or local ordinances, the Retailer agrees to maintain signage displays, notices, and materials supplied by SCEL according to SCEL's instructions.
 - c. SCEL retains the sole right to display any and all POS on SCEL equipment such as instant ticket dispensers, play stations, and sales terminals. The Retailer may not place or display non-lottery items or signage on SCEL displays or advertising property or equipment. The Retailer must not place non-lottery items including, but not limited to, goods for sale, other products or advertising in front of or on top of lottery ticket dispensers which result in lottery tickets not being in full view of customers. The Retailer agrees to remove those unauthorized items as directed by SCEL.
 - d. SCEL will provide advertising materials, POS, and other material referenced herein at no charge to Retailer. This material remains the property of SCEL. As certain types of advertising are restricted by law and SCEL policy, Retailer agrees not to utilize its own advertising materials to promote lottery products or the lottery unless the proposed advertising concepts are presented to SCEL's marketing department for prior written approval.
 - e. SCEL's logo and many other promotional items such as signage and game materials are copyrighted, trademarked, or otherwise protected from use without written permission of SCEL. Except for material provided to the retailer, prior written permission of SCEL is required to use material for which SCEL owns the intellectual property. Retailer agrees to stop using SCEL material subject to a copyright, service mark, or trademark immediately upon request. Failure to do so is grounds for immediate suspension or revocation of the retailer license and/or this contract.
 - f. Retailer agrees to locate the retail sales terminal, other lottery equipment, and those items required to be displayed by law in a space determined to be appropriate by SCEL's marketing and sales personnel.
3. Retailer agrees to provide reasonable security for all tickets and SCEL property. Retailer agrees to immediately report the theft or loss of instant tickets, online ticket stock, and/or damage to or destruction of other lottery property including, but not limited to, sales terminals, customer display units, any other applicable ancillary SCEL terminal equipment or accessories, display units for instant tickets or play stations to both the local law enforcement authority and to SCEL as required by the Lottery Act and SCEL regulations. Failure to provide notification or timely reimbursement to SCEL for loss is sufficient grounds for SCEL to require the Retailer to deposit an assessed replacement charge into the lottery trust account established pursuant to Section III, Paragraph 2.a (or otherwise pay) the value to replace or repair the stolen, damaged, or destroyed item(s).
4. a. Retailer agrees to sell tickets at prices established by SCEL and may not impose any additional transaction charge, fee, or commission except as required by law.
 - b. Retailer agrees to sell lottery tickets for cash only; payment by check, debit card, credit card, charge card, or other forms of deferred payment is prohibited.
 - c. Retailer agrees not to condition the sale of lottery tickets upon the purchase of any other item or service, or impose any similar restriction upon the sale of a lottery ticket.

- d. Retailer agrees to sell only to individuals present at the retail location and agrees not to sell instant or online tickets over the telephone, by electronic means including, but not limited, to the Internet or any other unauthorized means.
5. Subject to the validation procedures established by SCEL, Retailer agrees to pay winning tickets presented for instant and/or online games, as may be applicable, **up to and including \$500** during the hours for which the business is open unless otherwise authorized by SCEL. Such payments shall be made in accordance with the amounts authorized by the Lottery Act and SCEL rules and procedures, and shall never be subject to restrictions, withholdings, charges or conditions other than those imposed by SCEL. For prizes in excess of \$500, the Retailer, its employees, or agents may not, without prior written approval from SCEL, pay a person any sum of money, other consideration, or any item of value in exchange for a winning ticket except as provided herein. Nor shall a Retailer, its employees, or agents purchase a winning ticket from a customer, regardless of the amount of the winnings, for less than the total amount won by the customer. Retailer may redeem prizes by offering cash, check, or money order. No fee, charge (including the cost of a money order), or other condition may be imposed by the Retailer in exchange for the payment or redemption of a prize.
 6. Retailer agrees to make lottery games available for sale during the Retailer's normal business hours of a licensed location unless otherwise authorized by SCEL. Retailer agrees to offer multiple instant games for sale to the public at all times as authorized by law and as directed by SCEL. Failure to comply with these provisions may result in the suspension of lottery sales and/or the suspension or revocation of a license to sell SCEL products. Failure to activate and sell multiple instant games as required by SCEL may result in the suspension of sales and/or the suspension or revocation of a license to sell SCEL products. Failure to: 1) timely acknowledge receipt of an instant ticket order, 2) activate instant tickets by the gaming terminal prior to offering the games for sale, or 3) maintain proper inventory control or security of tickets or paper stock for online tickets may result in suspension of lottery sales and/or suspension or revocation of the retail license.
 7. Retailer understands and agrees to provide reasonable access or accommodation to consumers with special needs who wish to purchase lottery tickets. Failure to provide reasonable access or accommodation to consumers with special needs may result in suspension or revocation of this retailer contract and the retail license. SCEL is not responsible for determining whether reasonable accommodation is being provided and SCEL is not liable to Retailer if reasonable accommodation is not provided.
 8. The sales records and performance of retailers are subject to periodic evaluations to ensure that Retailer is meeting SCEL minimum sales requirements. SCEL, in its sole discretion, reserves the right to locate or remove any SCEL equipment in the retail location. Additionally, the retail license and this retail contract are subject to revocation for a retail location failing to meet minimum sales requirements.
 9. Retailer shall pay a weekly fee, as established by SCEL, for sales terminal(s) provided by SCEL to partially defray and recoup the cost of the communications services and for the maintenance of the online sales terminal and the central online computer equipment and service. SCEL reserves the right to change and/or require that the Retailer maintain a telecommunication service provider connection as required by SCEL.
 10. Retailer agrees to allow SCEL to inspect, at times determined solely by SCEL, its facilities or operations to determine Retailer compliance with all applicable provisions governing the sale of SCEL lottery products and to review Retailer operations that may, in the sole opinion of SCEL, negatively reflect upon the integrity of SCEL or public confidence in SCEL.
 11. a. Retailer expressly authorizes SCEL to release information SCEL may have obtained prior to or after licensure upon the receipt of a written request. These requests may include, but are not limited to, the release of information to insurance companies, governmental entities, or as otherwise may be required or authorized by law.

b. SCEL collects personal identifying information from personnel (employees, officers, directors, partners, shareholders, members of LLCs, etc.) of Retailer for verification purposes associated with licensure and thereafter during the business relationship of the Parties. For purposes of this paragraph, Retailer includes but is not limited to the individuals associated with the Retailer described in the preceding sentences. Personal identifying information

includes, but is not limited to, social security numbers, driver's license numbers, banking account numbers, personal identification numbers, electronic identification numbers, and/or any other data. SCEL also collects personal identifying information from retailers for South Carolina and federal income tax withholding and reporting purposes, such as for use with IRS Form 1099-MISC. Retailer expressly and irrevocably authorizes SCEL, its agents, including, but not limited to, any state agency facilitating SCEL, to use his, her, or its personal identifying information. SCEL is hereby authorized to use Retailer's personal identifying information for criminal background checks, credit history checks, and S.C. Department of Revenue tax compliance and sales tax reviews. SCEL is hereby authorized to use Retailer's personal identifying information for debt collection purposes resulting from the activities contemplated under this contact, either through private or public debt collectors. Retailer expressly holds harmless SCEL and its agents from any and all claims resulting from the use of personal identifying information described in this contract. Retailer's authorization and hold harmless provision shall survive termination of this contract to extent necessary for SCEL to comply with any post-contractual obligations, including the collection of SCEL's debt.

III. FINANCIAL TRANSACTIONS

1. a. Retailer understands and agrees that under the terms of the Lottery Act, the owner or owners of the business and its officers are individually and jointly personally liable, irrespective of business type or form, for all proceeds due SCEL for the location(s) covered by this contract. Retailer and the individual officers of Retailer's business understand and agree that they have a fiduciary duty to preserve and account for all proceeds due SCEL.
 - b. Retailer agrees to maintain accurate and complete records of all transactions with SCEL and to make such records available, upon reasonable notice, to authorized representatives of SCEL during normal business hours. Retailer agrees to bear the risk of loss associated with the failure to maintain an accurate and complete record of financial accounts including, but not limited to, receipt of instant games, paper stock, and other inventory. Upon a disagreement relating to financial transactions between Retailer and SCEL, Retailer agrees to defer to the reasonable interpretations regarding financial transactions of SCEL and Retailer shall pay the sum determined to be due SCEL upon demand.
 - c. Retailer is liable for payment of instant tickets upon the settlement occurrence of the earlier event: (1) sixty (60) days after the activation of a pack of instant tickets; (2) upon validation of eighty percent (80%) or more of the low-tier prizes (as specified by SCEL) contained in a respective pack of instant tickets; or (3) redemption of a high-tier prize in a respective instant ticket pack. The Executive Director reserves the right to modify these payment triggers as he or she deems appropriate without amendment to this contract.
 - d. SCEL agrees that, in consideration for the duties and responsibilities performed by Retailer under this contract, Retailer shall receive a commission of seven percent (7%) of actual sales of lottery products or another percentage of sales rate as provided by law. Sales or promotional payments, if any, occur at the sole discretion of SCEL and may be changed or denied, without recourse. Notwithstanding the contents of any other document, SCEL is not obligated, contractually or otherwise, to make sales or promotional payments based upon sales of lottery products made during the term of this contract.
2. a. Retailer agrees to establish and maintain a separate lottery trust bank account in the name of and/or for the sole benefit of SCEL to be used for the sole purpose of depositing, retaining, and remitting lottery proceeds via electronic funds transfer (EFT) to SCEL. Collection of SCEL proceeds (withdrawals) from the SCEL EFT trust account will be made at intervals and times as deemed appropriate by SCEL in its sole discretion.
 - b. No monies other than lottery proceeds may be placed in the lottery trust bank account and the proceeds from lottery ticket sales may not be placed in any other account. Retailer may not deposit lottery proceeds from other jurisdictions into the SCEL EFT trust account, or vice versa, unless the Executive Director grants written approval. The SCEL EFT trust account must be at an institution insured by the Federal Deposit Insurance Corporation (FDIC) or similar deposit insurance entity acceptable to SCEL. Retailer agrees to place all lottery proceeds due SCEL in the lottery trust account no later than the close of the next banking day after the date of their collection by Retailer. Failure by Retailer to meet these depository requirements shall not alter the trust fund status of lottery sales proceeds.

c. Retailer understands that SCEL may issue subpoenas to obtain access to financial records related to the lottery proceeds account or other information necessary to ensure the integrity of the lottery is maintained by transferring the appropriate proceeds. Retailer hereby releases SCEL, its vendors, and financial institution(s) from any liability relating to the release of any information requested pursuant to a subpoena issued by SCEL. SCEL is not required to notify Retailer prior to obtaining the necessary financial records and may rely upon the terms of the release contained in this paragraph.

d. At the time of the sale or settlement of an instant ticket pack, whichever occurs first, lottery proceeds are the property of SCEL and held in trust for SCEL as provided by law, the requirements of SCEL, and this contract. Lottery proceeds include unsold activated instant tickets received by Retailer, and cash proceeds from the sale of lottery products, net of allowable sales commissions and credit for lottery prizes paid to winners by Retailer. SCEL may consider as proceeds unaccounted for unsold, un-activated packs as it may require.

e. Retailer understands and agrees that failure to have sufficient funds available at the time required for collection subjects Retailer to payment of all "non-sufficient funds" (NSF) charges, including SCEL's direct and related transaction costs associated with NSFs and wire receipt of monies. Retailer further understands and agrees that failure to have sufficient funds available at the time required for collection may be considered adequate cause for SCEL to immediately require presentment of a letter of credit naming SCEL as beneficiary upon terms and conditions acceptable to SCEL and/or to impose fines or additional bonding requirements. In lieu of or in addition to these actions, the Executive Director, in his or her sole discretion, may immediately suspend sales of lottery products or suspend or revoke this contract and the retail sales license. Retailer agrees to hold SCEL harmless for any claim of lost sales commissions or other damages that Retailer may allege to have occurred from a decision to require a letter of credit or decision to immediately suspend or revoke this contract and the retailer license.

f. Retailer understands and agrees that the Executive Director, in his or her sole discretion, may immediately suspend sales of lottery products or suspend or revoke the retail sales license(s) for each location in which Retailer holds a lottery license based on a default of another licensed location.

g. To ensure all monies due SCEL are deposited, retained, and remitted to SCEL, Retailer agrees that upon demand Retailer will provide evidence of deposits and other financial information as may be deemed necessary by SCEL. This requirement may be invoked in the sole discretion of the Executive Director of SCEL, or his or her designee, and failure to comply may result in immediate suspension of the sale of lottery products or the suspension, revocation, or termination of licensure as deemed appropriate by the Executive Director.

h. Based upon prior financial history of Retailer, SCEL reserves the sole discretion and right to require a letter of credit or other security as provided in Paragraph e. above for other retailer locations. The exercise of this option is subject to the same terms and conditions applicable in Paragraph e. above.

3. Retailer agrees to ensure that when deposits in the retailer's lottery proceeds account exceed deposit insurance coverage limits of the FDIC or similar regulatory authority, Retailer will immediately obtain an indemnity bond in an amount sufficient to protect SCEL against loss (generally an amount equal to two (2) weeks of Retailer's average gross sales of lottery products) in the event of an insolvency or liquidation of the depository institution. Alternatively, Retailer agrees to provide collateral acceptable to the State Treasurer in an amount sufficient to protect SCEL against loss (generally an amount equal to two (2) weeks of Retailer's average gross sales of lottery products).
4. Upon voluntary termination or revocation of a license and after a final accounting of the amount due, Retailer agrees to immediately pay that sum to SCEL, including the imposition of any fine(s) imposed pursuant to regulations. Retailer further agrees to pay a reasonable rate of interest not to exceed eighteen percent (18%) per annum on any outstanding debts or fines owed to SCEL. Interest will begin accruing upon the expiration of the time for the appeal of any disputed amount or the exhaustion of the appeals process available to Retailer pursuant to the Lottery Act. Retailer further agrees to be liable for all reasonable collection costs incurred by SCEL. Upon the filing of a legal action or lawsuit, a minimum \$100 fee may be assessed to defray SCEL's internal collection costs related to SCEL staff time for preparation in filing an action. Retailer agrees to pay additional collection costs which may include, but are not limited, to attorneys' fees, filing fees, service of process fees and any fee imposed by any entity to participate

in and collect debts owed pursuant to setoff debt collection actions as may be authorized by state law, incurred to collect any monies payable under this contract, to defend any provision of this contract, or to litigate any provision of this contract, whether or not any lawsuit or administrative proceeding is commenced.

IV. RETAILER'S OBLIGATIONS

1. Retailer agrees that it will not sell tickets or shares to anyone younger than 18 years of age.
2. Due to the potential disruption of service and to avoid numerous service calls by service technicians, Retailer agrees, at its own expense, to provide adequate, reliable electrical service as determined by SCEL or its online vendor to sales equipment provided by SCEL. Failure to do so in a timely manner after a request is made shall be grounds for immediate suspension of sales and/or suspension or revocation of this contract and the retailer license. Retailer agrees to keep the power to the sales terminal on at all times to allow for system downloads.
3. Retailer agrees that it will not contract with a gaming entity or other person for lottery goods or services other than SCEL except with the prior written approval of SCEL.
4. Retailer agrees to notify SCEL, if possible, prior to a change in ownership or the addition of new owners but in any event not later than ten (10) days after a change in ownership has occurred. The new owners must immediately submit an application and be approved before SCEL products may be sold at the retail location provided herein. Retailer understands and agrees that it remains liable for all proceeds due SCEL if Retailer fails to notify SCEL in writing when the change of ownership is to be effective. This contract cannot be assigned and the authority to sell SCEL products terminates upon the change of ownership unless prior written approval, consistent with the Lottery Act and regulations, is granted by SCEL. "Change in ownership" includes sale of the business or the addition of a partner or member of a limited liability corporation (LLC) who was not listed on the most recent retail licensure application or a shareholder of the applicant who acquires ten percent (10%) or more of the outstanding shares who was not listed on the most recent retail licensure application. Change of ownership can also occur when more than ten percent (10%) of the stock of a corporation is sold or when the business entity is changed including, but not limited to, LLC to corporation, partnership to corporation, and sole proprietorship to corporation or LLC.
5.
 - a. Retailer is prohibited from transferring or assigning its retailer license or contract for the location designated herein.
 - b. Retailer agrees to notify SCEL immediately if the Retailer is placed in receivership or files for bankruptcy. Such notice is to come from Retailer and is in addition to any notice sent by any court or any noticing entity or agent designated by any court.
 - c. If Retailer (includes any person required by the Lottery Act to undergo a criminal background investigation) is convicted of a crime in any jurisdiction or becomes delinquent in payment or filing of any taxes due the State of South Carolina, SCEL must be notified in writing within ten (10) calendar days of the conviction or delinquency. Taxes paid under protest or a timely filed appeal does not constitute a delinquency.
6. Retailer agrees that it will not pay, give, or otherwise make available anything of value to a Commissioner of the South Carolina Lottery Commission or an SCEL employee in violation of the South Carolina Ethics Reform Act.
7. As part of the consideration for issuing a lottery retail sales license for this location, Retailer agrees that it shall not offer for sale any other "competing product" except as authorized in this contract. "Competing product" is defined as a product similar in appearance and design that would tend to be confused with instant game tickets authorized for sale by SCEL. "Competing product" includes, but is not limited to, products normally dispensed from a display case located on a counter top near a cash register or dispensed from a vending machine in which money or a thing of value is inserted.

"Competing product" may typically be defined as a paper ticket or card that ranges in size from 1"x 1" to 3"x 2" or "4 x 6", but may be larger or smaller, where (i) a person may receive gifts, services, prizes, or gratuities and (ii)

winners are determined by preprinted concealed letters, numbers, or symbols which, when exposed, either through scratch-off or pull-tab or other method, reveal immediately whether the player has won a prize or entry into a prize drawing. The fact that no purchase is required to participate shall not exclude such game or contest from this provision. A competing product is also typically sold independent of a tangible product such as a soft drink, food product, or other consumable item but this fact is not determinative of whether a product is a competing product.

Retailer agrees that a competing product will not be displayed within twenty (20') feet of a sales counter or cash register where SCEL lottery products are sold unless prior written approval is obtained from the Executive Director, or his or her designee. Retailer agrees to be bound by the decision of the Executive Director regarding the location of competing products. Upon a disagreement as to whether an item(s) is a competing product or whether the product is displayed in an appropriate location, Retailer agrees to defer to the reasonable interpretation of SCEL. Retailer understands that a violation of this section may result in the termination of this contract and revocation of the retail license by SCEL.

8. a. Retailer agrees that the title of all equipment or property furnished by SCEL, including, but not limited, to point-of-sale (POS) materials (which are often reused by SCEL), shall remain with SCEL, or its agent, and all such property shall be immediately returned to SCEL or its agents upon demand.
 - b. Retailer agrees to take reasonable steps to safeguard all SCEL equipment and operate this equipment in a manner consistent with the training provided to the Retailer's employees. Retailer is not liable for normal wear-and-tear or maintenance of SCEL equipment. SCEL is responsible for routine maintenance and replacement of its equipment. Retailer further acknowledges that tampering with equipment (i.e., turning-off speakers notifying customers whether or not they have won) or unplugging any devices is a violation of this clause and may subject Retailer to suspension or termination of this contract and the retail license.
 - c. Retailer agrees to reimburse SCEL, or its agent(s) and/or contractor(s), for the loss or repair of SCEL equipment including, but not limited to, the sales terminal(s), customer display unit(s), video terminals, ticket checkers, play stations or instant ticket dispensers damaged or destroyed as the result of fire, theft, or vandalism at the retail location. Reimbursement costs are limited to the actual replacement or repair cost incurred by SCEL. (See Section II, Paragraph 3 regarding notification requirements when loss or damages occur and the consequences for a failure to make a timely notification to SCEL or to timely reimburse SCEL for the loss.)
 - d. Retailer agrees to be responsible for any loss or damage to SCEL property which results from the negligent or willful act or omission of the Retailer or its employees.
9. Retailer agrees that any SCEL property furnished to Retailer shall be used only for the performance of this contract unless otherwise provided herein or approved by SCEL.
 10. Retailer agrees not to sell any lottery tickets for a specific game before the announced start of that game. Retailer agrees and is responsible for returning instant game tickets once the game is no longer authorized for sale. Retailer agrees not to sell lottery tickets after the "last date to sell" for a specific game.
 11. Retailer is solely responsible for any promotional activity or contest, including, but not limited to, raffles or similarly styled games or promotions involving or relating to lottery products, unless the promotion or contest is part of a lottery game (such as a second-chance drawing) and is sponsored, approved, or authorized by SCEL.
 12. In addition to the specific conditions set forth in this contract, this contract may be canceled, terminated, suspended, or revoked if any of the following events occurs: (a) violation of the Lottery Act or a regulation, policy, or procedure of the Board of Commissioners of the South Carolina Education Lottery, whether written or not; (b) failure to properly segregate lottery ticket revenues or proceeds; (c) failure to accurately or timely account for lottery game tickets, lottery games, lottery proceeds, or prizes as required by SCEL; (d) fraud, deceit, or misrepresentation; (e) insufficient sales; (f) conduct prejudicial to public confidence in the Lottery; (g) filing for or placement in receivership by Retailer; (h) voluntary or involuntary filing of bankruptcy by Retailer if, in addition to the bankruptcy filing, there is a violation of any other provision of this contract or rules or regulations promulgated by SCEL, whether written or not; (i) a material change, as determined in the sole discretion of SCEL, to any factor considered

material by SCEL in executing the contract with the lottery retailer; and (j) failure to meet any of the objective criteria established by SCEL pursuant to the Lottery Act, any rules or regulations promulgated by SCEL, and/or policies, practices or procedures utilized by SCEL, whether written or not.

V. INDEMNIFICATION AND LIABILITY

1. Retailer agrees to hold harmless and indemnify SCEL and the State of South Carolina from any liability resulting from or in connection with the sale or purchase of a lottery ticket(s) that is inconsistent with the terms of this contract, the Lottery Act, or the policies, rules, or regulations of SCEL. Retailer agrees to hold harmless and indemnify SCEL and the State of South Carolina from any liability arising from or in connection with ticket theft or the reporting of tickets as stolen.
2. Retailer agrees that, in its capacity as a contractor to sell lottery tickets, the Retailer is not acting on behalf of SCEL or the State as an agent, officer, or employee, but is acting in the capacity of an independent contractor.
3. Except for the tortious acts of SCEL employees, Retailer agrees that any contractual or tortious liability incurred by the Retailer in connection with the sale, purchase, or redemption of lottery tickets shall be the sole responsibility of the Retailer. Payouts or redemptions on properly validated winning tickets, up to and **including \$500 per transaction, must be paid by the Retailer** but will be reimbursed by SCEL through the retailer's lottery trust account or otherwise paid to Retailer.

VI. SEVERABILITY

If any item, provision, sentence or part of a sentence, of this contract is deemed to be invalid or unenforceable, the remaining provisions shall be enforceable.

VII. SURVIVORSHIP

Termination, suspensions or revocation of a retail sales license does not relieve Retailer from the obligations imposed by the Lottery Act or SCEL regulations, nor does it extinguish any authorizations or authority granted herein to SCEL. This provision and the following provisions survive termination, cancellation, or revocation of this contract: Section II, paragraphs 2.e., 3 and 11 b.; Section III, paragraphs 1.a., 1.c., and 2.a. (the obligation to maintain the account shall cease after a final accounting and remittance of any outstanding balance to SCEL), 2.c. and 4; Section IV – paragraphs 8 and 11; Section V; Section VI; Section VII; and Section VIII.

VIII. GENERAL PROVISIONS

In addition to the terms and conditions of this contract, by signing below, Retailer agrees to be bound by all applicable provisions of the Lottery Act and rules, policies, or regulations of SCEL as they are currently constituted or as they may be established or modified during the term of this contract and those documents are hereby deemed incorporated herein. The terms of this contract are in addition to the provisions of the Lottery Act and SCEL rules, policies, or regulations, whether written or not, and are not meant in any way to abrogate or limit the provisions of the Lottery Act and SCEL rules, policies, or regulations of SCEL, whether written or not. Subject to the terms of this contract, Retailer may surrender its lottery retail sales license to SCEL, without penalty, if Retailer does not wish to comply with the later adopted policy, procedure, practice, or guideline of SCEL.

Violations of the Lottery Act, SCEL rules, policies, or regulations may result in the revocation of a license. It is understood that the terms and conditions listed above are not the exclusive obligations imposed on a Retailer and are not intended to narrow or lessen any obligation or requirement imposed by law or regulation.

BY SIGNING THIS CONTRACT, THE PARTIES ACKNOWLEDGE THAT THEY HAVE READ AND UNDERSTAND THE TERMS OF THE CONTRACT AND AGREE TO BE BOUND BY THEM. THE PARTIES FURTHER ACKNOWLEDGE THAT THIS CONTRACT IS INTENDED TO BE A SEALED INSTRUMENT WITHIN THE MEANING OF SECTION 15-3-520, SOUTH CAROLINA CODE OF LAWS (AS AND IF AMENDED).

AS AUTHORIZED IN SECTION 15-7-50, SOUTH CAROLINA CODE OF LAWS, UPON CONCLUSION OF ALL SCEL ADMINISTRATIVE PROCESSES, RETAILER AGREES THAT ANY ACTION ARISING FROM ANY CLAIM OR DISPUTE RELATING TO THIS CONTRACT OR FROM A BREACH OF THIS CONTRACT THAT IS SUBJECT TO THE JURISDICTION OF THE COURT OF COMMON PLEAS SHALL BE HEARD IN RICHLAND COUNTY, SOUTH CAROLINA.

THE PERSON SIGNING THIS CONTRACT CERTIFIES THAT HE/SHE IS A PERSON AUTHORIZED TO BIND RETAILER. IF SCEL DETERMINES THAT THE INDIVIDUAL SIGNING THIS CONTRACT ON BEHALF OF THE RETAILER IS NOT LEGALLY AUTHORIZED TO REPRESENT THE RETAILER, SCEL SHALL CONSIDER THIS TO BE A MATERIAL MISREPRESENTATION IN APPLICATION AND THE CONTRACT SHALL BE SUBJECT TO TERMINATION. FURTHER, THE PERSON SIGNING THIS DOCUMENT AFFIRMS THAT TO THE BEST OF HIS/HER KNOWLEDGE THE INFORMATION PROVIDED ON THE RETAILER APPLICATION IS TRUE AND ACCURATE.
