The solicitation is amended as provided herein. Information or changes resulting from questions will be shown in a question-and-answer format. All questions received have been reprinted below. "SCEL's RESPONSE" should be read without reference to the questions. The questions are included solely to provide a cross-reference to the potential Offeror that submitted the question. SCEL RESPONSE – Sealed offers must be submitted in the form of a physical hard copy and sent to one of the two (2) addresses listed on the Cover Page of the solicitation (either the mailing or physical address). Refer to page 3 of the solicitation, "IMPORTANT INFORMATION FOR ALL OFFERORS" for bidding instructions and requirements concerning the number of copies and submission format (i.e. hard copy, electronic copy, etc.)

4. Can you please provide 3 months of current Account Analysis statements?

SCEL RESPONSE – Refer to Exhibits A and B (Account Analysis Statements – High and Low Volume Months). No additional Account Analysis statements are deemed necessary as Offerors are required to use only the volume of transactions provided in the high volume month (Section 4.2).

5. Can you please provide a sample of several weeks' worth of ACH transactions (debits, credits) to include number of files transmitted, number of items, total dollar amount, etc.?

SCEL RESPONSE – Refer to Exhibits A and B (Account Analysis Statements - High and Low Volume Months). The most significant outgoing ACH (debit) transactions are the two transfers made each month to the State for Unclaimed Prizes and Regular Transfers. Monthly and aggregate dollar volumes for these transfers are described in the Primary Account subsection of Section 3.1 (B) (1) on page 18. Incoming ACH transactions and wires (credits) to the Primary Account are minimal (less than 50 per year). ACH files are sent to the bank every hour for the Primary Account. Retailer sweeps are the only significant source of incoming ACH (credit) transactions – refer to the weekly and aggregate dollar volumes provided in the Concentration Account subsection of Section 3.1 (B)(2) on page 19. Note the figures provided in Section 3.1 (B) are for historical reference only and do not guarantee any future balances.
