

Pair of Lottery Millionaires Make Upstate Truck Stop a Lucky Spot

The **Woodruff Truck Plaza** located off I-26 on Walnut Grove Rd. in **Roebuck** sold a lottery ticket worth \$2.5 million in June. This comes after a player at the same store won \$2 million in August of 2025. What makes this story even more remarkable is that both wins were on \$20 lottery scratch-offs.

And according to Patel, the lucky streak has been great for business. He says more customers are stopping in just to take a chance on a ticket.

"I never thought it would happen to me," she told South Carolina Education Lottery officials. "It's amazing."

The store's previous \$2 million lottery win came on a 200X scratch-off that was sold in August of last year.

A man and a woman are standing in front of a building. The man is on the left, wearing a light purple polo shirt and dark pants. The woman is on the right, wearing a patterned dress. Behind them is a building with a sign that says "WOODRUFF TRAVEL PLAZA". There are also signs for "ZERO SUGAR 100% MONSTER" and "FREE MORE" in the window. A brick planter box is in front of the building.

RETAILER SPOTLIGHT

Love of Community Drives Small Town 174 Quick Stop

For Jonathan Hamilton, opening **174 Quick Stop** was more than starting a business, it was about filling a need in the community.

Located in rural **Adams Run, SC**, 174 Quick Stop provides residents with a convenient place to purchase everyday necessities, including lottery tickets. For Hamilton, the decision to open the store was driven by a simple observation, people in the community did not have a convenience store within walking distance.

Hamilton saw an opportunity to make everyday shopping a little easier for his neighbors. Hamilton and his family were nervous about selling lottery in 2024, but two years later, those nerves are gone.

174 Quick Stop has made a significant difference for the residents who may not have transportation or who simply need to make a quick purchase.

Travelers stop to purchase tickets because they think this may be the lucky store tucked away on a two-lane highway. Customers like the warm environment and

the smiles. Some customers enjoy the deli while they wait for the midday lottery numbers to come out.

174 Quick Stop is not in the Million Dollar Sales Club, but they are striving daily to reach that goal. The top scratch-offs are always on display and draw games are explained to new players. Hamilton and his customers are hoping for someone local to win a jackpot, but they know the real winners are the students of SC.
