20 YEAR RETAILER SPOTLIGHT

# Coastal Saver

By Monique Burgess, Coastal MSR

The **Coastal Saver** convenience store has been serving the **Myrtle Beach** area since 1994. For 28 years, this family owned business has been building relationships, creating bonds and diligently catering to the needs of local customers.

Needless to say, in 2002 with the advent of the South Carolina Education Lottery, they were eager to become one of the initial partners in "working hard for education."

"For the past 20 years, we have seen an increase in new customers coming from various places and they've become our regular customers," said owner Atul Patel. "For many, Lottery is something they really enjoy playing, and we get just as much enjoyment watching them play. And of course, we've been excited about selling multiple \$10,000 winning scratch-offs over the years! To see the smiles on players faces when they win big is a great feeling for us. Our goal is to continue to bring even more smiles and hopefully soon sell the winning Powerball® ticket!"

Congratulations to the Coastal Saver team for their many lottery successes, and we look forward to more satisfied customers.
